

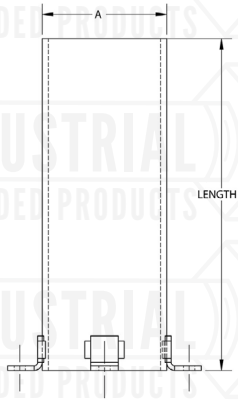

FIG. 910
PIPE SLEEVE WITH WELDED LUGS

Manufactured
in the USA

Material: Steel pipe, also available in 304 and 316 stainless steel.
Finish: Plain, electro-galvanized or painted.
Service: When attached to concrete forms, sleeve provides smooth sealable channel for piping, eliminating the need to core drill. Nailing lugs facilitate fastening to forms.
Ordering: Specify pipe size (A dimension), length, figure number and finish.
